

Getting Started:

Easy to set up

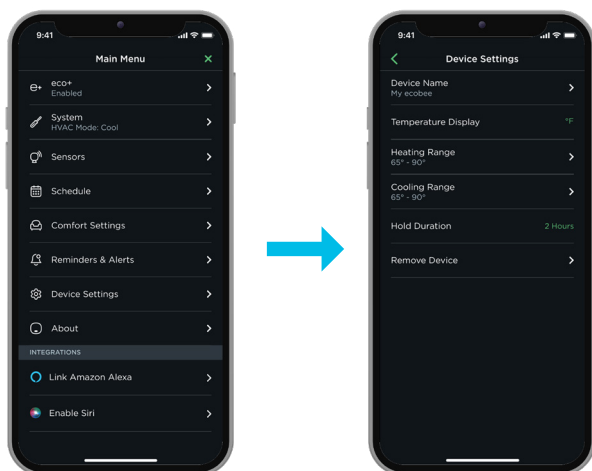

1. Download the ecobee mobile app and ensure your thermostat is connected to Wi-Fi.
2. Create an ecobee account and register your device. To start registration, go to your ecobee and tap:
 ≡ Main menu > ⚙️ Registration
3. Follow the **add device** instructions in the app, then ensure your device is connected to Wi-Fi.

To adjust your preferences

Access these settings from your ecobee thermostat:

- Menu > Settings > Preferences

ECOBEE SUPPORT

**CUSTOMER CARE
WARRANTY REQUEST**
